Dedication

To my wife Marilyn, whose practicality and gentle prodding have helped my dreams become reality.

Acknowledgments

I would like to acknowledge the following people who, in one way or another, have encouraged or inspired me to write this book:

Lovisa Lyman, Sid and Linda Brown, Frit Clark, Phil and Nona Clegg, Nora Cross, Ross Einboden, Martha and Jonathon Hathorn, Marolyn Kaiser, Don and Linda Lyster, Fred Van Bevren, Bob and Bonnie Wall, Robert Yorosek

A very special thanks to my mother, Mary Castillo, who knows how to motivate me. When I told her that I was thinking about writing this book she took my first typed page, put it in a frame and stuck it on the wall in her living room. Is that motivation or what?
