

¿Qué es un poema?

Texto e ilustraciones por
Jovi de la Jara

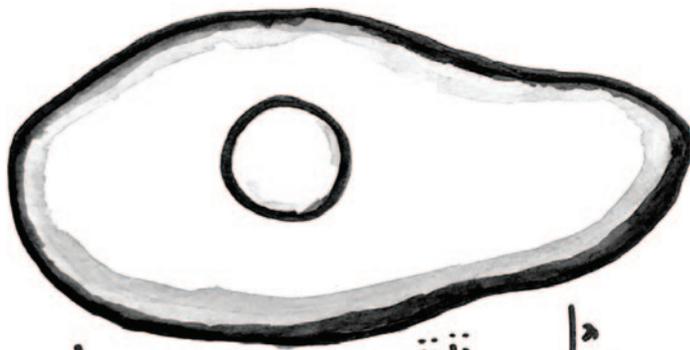

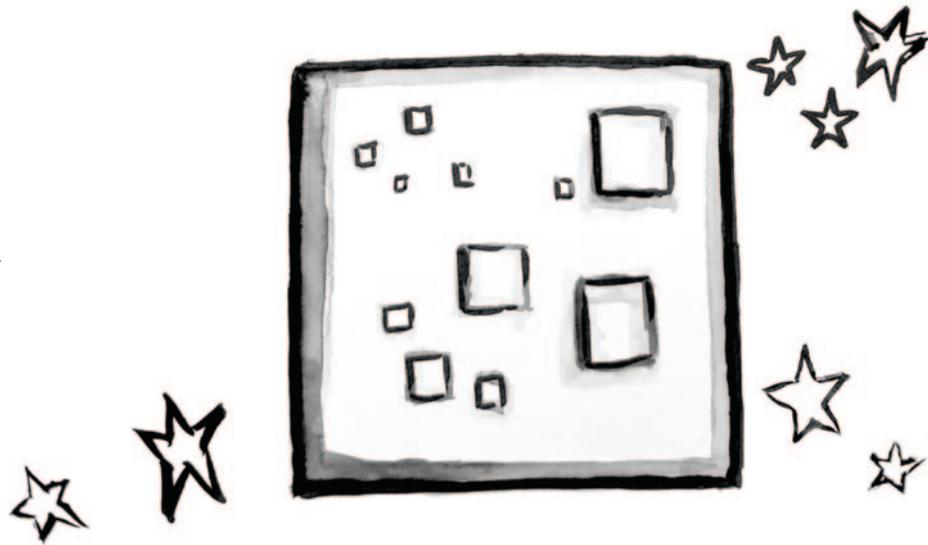

En el poema caben
todas las palabras,
todos los olores,
las plantas, el silencio,
la emoción.

Un hueso, juguetes.

Todo.

En el poema,
la luna puede ser
cuadrada

Ja

y la lluvia
risas.

In a poem,
the moon can be
square

and rain can be
laughter.

Ha Hee Hoho
Ha Hee Hoho
Haha HeeHee

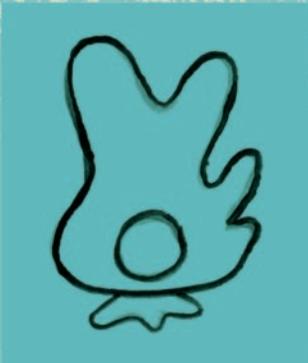

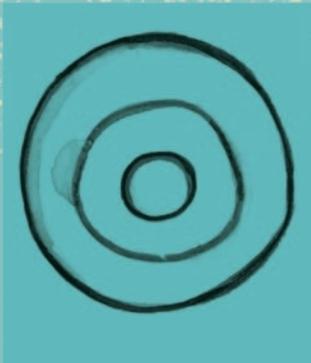

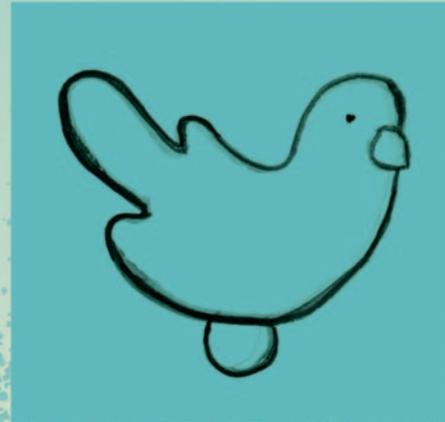

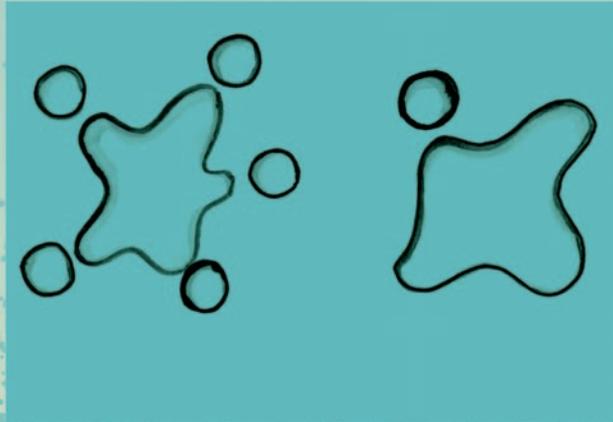

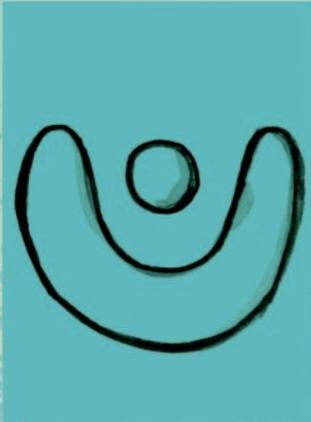

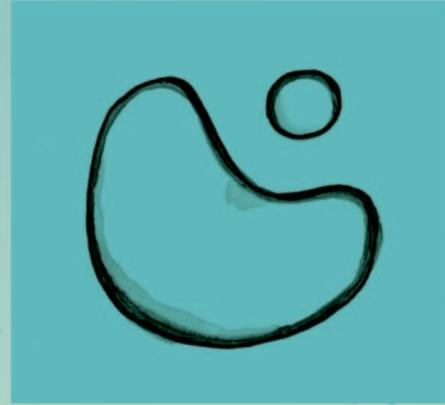

You can fit every
word in a poem,
all the smells,
plants, silence,
emotions.

A bone, a toy...

Everything.
